Includes Unique
Natural
Composition

Casper Capsule Exhibits a number of advantages Like:

ADVANTAGES

- Increase Sperm Counts
- Fast Acting Formula
- Maintain Multiple Harder Erections
- Increase Libido
- Improves Overall Sexual Health and Vitality
- No Side Effects

Casper Capsule has proven Efficacy:

Sexual low performance starts going after 40 yrs of age because of reduced testosterone production. Casper is proven as best herbal remedy for lack of libido and all types of erectile dysfunction.

Casper is a unique composition of TEN poten ingredients that provides following benefits

Tribulus terrestris: Increased testosterone production / - Increased muscle mass/strength.

Withania somnifera: Increase energy, vital fluids, muscle fat, blood, lymph, semen and cell production.

Macuna pruriens: Builds fertility in men (Increase semen volume, sperm count and sperm motility) / Very potent at increasing libido for both men and women (Contain LDOPA).

Orchis latifolia: Helps to increase body energy

Asparagus racemosus: It helps with nervousness, pain, restless sleep, disturbing dreams and people with weak emotional and physical heart. / used for treating sexual debility, infertility in both the sexes.

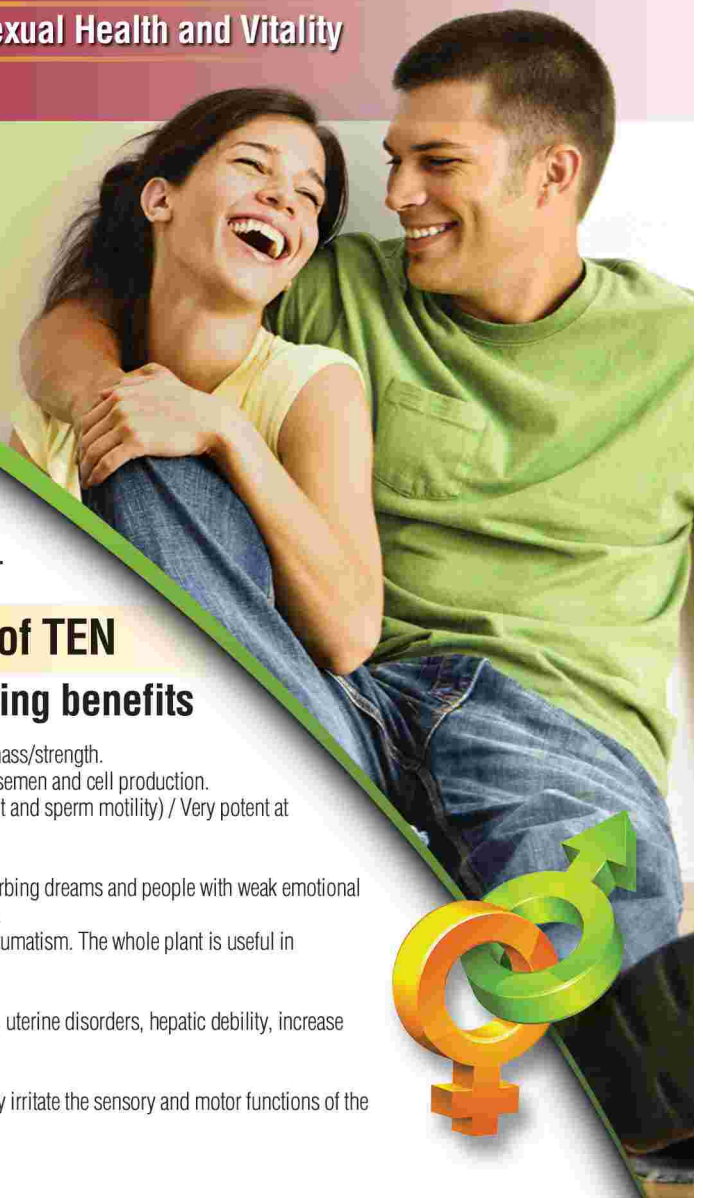

Sida cordifolia: Treatment of leucorrhoea, gonorrhea, general debility and rheumatism. The whole plant is useful in premature ejaculation.

Zinc: Dietary supplement / general body enhancer.

Cheiranthus cheiri: Effective in bronchitis, asthma, cough, impotence, fevers, uterine disorders, hepatic debility, increase semen production.

Ginger root: Improve circulation by relaxing muscles.

Nux Vomica: Stimulant action in gastrointestinal tract and sexual drive, quickly irritate the sensory and motor functions of the body, also enhance blood circulation.
